

Brave

Moriah Peters

No one ever told me
This would be easy
But I never knew
That it could be this hard
Oh the worry the worry the worry
Is weighing on me
Could you help me break down
All these question marks
And make me

Brave
I'll fight like a soldier
Brave
Rise like a warrior
Brave
Won't stop till the final day
Brave
I want to be stronger
Brave
Gonna be bolder
Brave
Look up and I see the way
You make me brave

I know I know I'm no superwoman
But impossible is possible with You
So no, no, no more running, no more hiding
Strike the fire so I'll be fearless too
And make me

Brave
I'll fight like a soldier
Brave
Rise like a warrior
Brave
Won't stop till the final day
Brave
I want to be stronger
Brave
Gonna be bolder
Brave
Look up and I see the way
You make me brave

None go with me
Still I'll follow
Through the joy
And through the sorrow
Cross before me
World behind me
There's no turning back

Brave
Brave
Brave

Brave

I'll fight like a soldier
Brave
Rise like a warrior
Brave
Won't stop till the final day
Brave
I want to be stronger
Brave
Gonna be bolder
Brave
Look up and I see the way
You make me

Brave
Fight like a soldier
Brave
Rise like a warrior
Brave
Won't stop till the final day
Brave
I want to be stronger
Brave
Gonna be bolder
Brave
Look up and I see the way
You make me brave
