

# Don't Want To Live For Me

Moriah Peters

Another day come and gone  
I do what I hate to do  
A little right a little wrong, it's true  
Another choice another fall  
I tell myself to stop  
But on my own it's a war and I've lost

Why do say one thing  
And then do the opposite  
I don't want to stay this way

Here and now  
I surrender all my life  
I take this vow  
And abandon me tonight  
No more going down and up  
And down so selfishly  
No more going up and down  
And up You take the lead  
I don't want to live for me  
I don't want to live for me

Give me grace give me strength  
I can't do this alone  
Show me when show me where to go  
In the end I want to stand  
By Your side no regrets  
And give it all to love You  
Like You love me

Here and now  
I surrender all my life  
I take this vow  
And abandon me tonight  
No more going down and up  
And down so selfishly  
No more going up and down  
And up You take the lead  
I don't want to live for me  
I don't want to live for me

To want You like You want me  
To know You like You know me  
To love You like You love me

Here and now  
I surrender all my life  
I take this vow  
And abandon me tonight

Here and now  
I surrender all my life  
I take this vow  
And abandon me tonight  
No more going down and up  
And down so selfishly  
No more going up and down

And up You take the lead  
I don't want to live for me  
I don't want to live for me
