

# Haven't Even Kissed

Moriah Peters

I have been waiting patiently  
I locked up my heart, gave God the key  
And I've had to trust Him for a while  
But now I can't see you and not smile

I didn't think we could get here  
Now I'm believing before we met  
The world said I was dreaming

This feeling is something from heaven  
Beautifully more than I could've imagined  
And I have always prayed for something like this  
And we haven't even kissed

Sometimes you seemed so out of reach  
I held onto hope but I still felt lonely  
Then I gave God the pen to write this love story

I didn't think we could get here  
Now I'm believing before we met  
The world said I was dreaming

This feeling is something from heaven  
Beautifully more than I could've imagined  
And I have always prayed for something like this  
And we haven't even kissed

I asked for a miracle  
I got so much more

I didn't think we could get here  
And now I'm believing before we met  
The world said I was dreaming

This feeling is something from heaven  
Beautifully more than I could've imagined

I didn't think we could get here  
But now I'm with you  
Even more than my wildest dreams have come true  
And we haven't even, haven't even kissed, no

And I have always prayed for something like this  
Yes, I have always prayed for something like this  
And we haven't even kissed  
No, we haven't even kissed

I didn't think we could get here  
But now I'm with you  
Even more than my wildest dreams have come true  
And we haven't even, haven't even kissed, no
