

# I Choose Jesus

Moriah Peters

I have searched to find the meaning of this life  
Something that would fill my empty soul  
Some believe a lie, choose darkness over light  
But I will stand and let the whole world know

I choose Jesus, I choose Jesus  
The One who first chose me

I stand unashamed, trusting in one Name  
'Cause I have seen the cross and I believe, oh  
This choice comes at a cost, all other things are lost  
No other love could mean so much to me

I choose Jesus, I choose Jesus  
The One who first chosen me  
I choose Jesus, I choose Jesus  
For now and eternity

He chose to love me when I felt unlovable  
He chose to reach me when I felt unreachable  
He carried me out of my fear and doubt  
How I want the world to know I choose Jesus

I choose Jesus, I choose Jesus, the One who first chose me  
I don't want anyone but You, my Jesus  
I choose Jesus, I choose Jesus  
For now and eternity, for now and eternity
