

# I'll Wait For You

Moriah Peters

Maybe I met you when  
I was five years old  
On the seashore at a playground  
In an ice cream store  
Were we ever introduced  
Did momma make me talk to you  
Hey there, hello, hello, hello

Did daddy tell me stay away  
It's not a boy you need today  
Okay, okay, okay  
As we've gotten older  
Who could've known that  
We'd find each other

Love's far away, far away  
But we're moving closer  
Love's kind of crazy it's strange  
Suddenly it finds you, oh, oh  
So love wait for me  
I'll wait for you love

I think I saw you when  
I was seventeen  
On prom night at that old ice cream store  
I noticed you across the room  
There was something more to you  
Hey there, hello, hello, hello

I wonder if you know my name  
Or even if you feel the same way after  
Now we've gotten older and who could've know that  
We were right there waiting

Love's far away, far away  
But we're moving closer  
Love's kind of crazy it's strange  
Suddenly it finds you, oh, oh  
So love wait for me  
I'll wait for you

Love, love, love  
Love, love, love  
Wait for me  
Love, love, love  
Love, love, love, love

Love's far away, far away  
But we're moving closer  
Love's kind of crazy it's strange  
Suddenly it finds you, oh, oh  
I'll wait for you love  
Wait for me, wait for me  
Wait for me love  
Wait for me love
