

Love Thy Neighbour

Morning Parade

The neighbours are at it again
Kisses on the lips and knives in the sink
This town is tired of talk
The politics depress our human rights

And I swear on my life
I swear on my life
to restore the order
I swear on my life
I swear on my life

We'd better stop this conversation
this behaviour needs to stop.
THIS. IS. NOT. At all important
I wanna get my heart arrested
Get a beating from a cop
THIS. WILL. NOT. Restore the order!

So I'm gonna build a wall
In keeping with tradition I'm gonna start a war
I'm gonna get revenge
With everything I know my head is caving in

And I swear on my life,
I swear on my life
to restore the order
I swear on my life,
I swear on my life

We'd better stop this conversation
this behaviour needs to stop.
THIS. IS. NOT. At all important
I wanna get my heart arrested
Get a beating from a cop
THIS. WILL. NOT. Restore the order
