

# Love Thy Neighbour

## Morning Parade

The neighbours are at it again  
Kisses on the lips and knives in the sink  
This town is tired of talk  
The politics depress our human rights

And I swear on my life  
I swear on my life  
to restore the order  
I swear on my life  
I swear on my life

We'd better stop this conversation  
this behaviour needs to stop.  
THIS. IS. NOT. At all important  
I wanna get my heart arrested  
Get a beating from a cop  
THIS. WILL. NOT. Restore the order!

So I'm gonna build a wall  
In keeping with tradition I'm gonna start a war  
I'm gonna get revenge  
With everything I know my head is caving in

And I swear on my life,  
I swear on my life  
to restore the order  
I swear on my life,  
I swear on my life

We'd better stop this conversation  
this behaviour needs to stop.  
THIS. IS. NOT. At all important  
I wanna get my heart arrested  
Get a beating from a cop  
THIS. WILL. NOT. Restore the order
