

Best of Me

Morningwood

I bet the better you get,
the better you get,
you're gonna forget remember

You're always clickin' and pointin'
pointin' and clickin'
and clickin' that thing forever

You're always talking the talk
but never walking the walk
I-I-I-I I get so agitated
You're always thinking a thought
but then you say you forgot

You think you've got the best of me
You think you've got the best of me
You think there's nothing left of me
Check this you'll never get to me

You're getting mighty upset,
you're gonna regret,
the deeper you get,
the stronger I'll be.

You're always ranting and raving,
that nothing's worth saving,
always complaining,
constantly.

You're always talking the talk
but never walking the walk
I-I-I-I I get so agitated
You're always thinking a thought
but then you say you forgot

You think you've got the best of me
You think you've got the best of me
You think there's nothing left of me
Check this you'll never get to me
