

Hey little pretty with the tattooed skin,  
The past is repeatin' yeah it's gonna begin  
I said hey little pretty with the tattooed skin,  
The past is repeatin' yeah it's gonna begin  
All you little kids that love the rock n' roll,  
You sure got the style but you ain't got the soul  
You sure got the style but you ain't got the soul  
You sure got the style but you ain't got the soul

Come on get over it  
Come on get into it  
Come on get over it  
Come on get into it

Hey little baby with your studded belt,  
When you hear the music right it's gonna make you melt  
I said all you little kids that love the rock n' roll,  
You sure got the style but you ain't got the soul

Come on get over it  
Come on get into it  
Come on get over it  
Come on get into it  
Come on get over it  
Come on get into it  
It starts right now

Well let's go  
1-2-3  
Come on let's go  
It's a rock n roll revolution  
It's a rock n roll evolution  
Come on let's go

Sweet little honey with your hair cut right,  
When you get the sonic beat you're gonna see the light  
I said all you little kids that love the rock n' roll,  
You sure got the style but you ain't got the soul  
All you little kids that love the rock n' roll,  
You sure got the style but you ain't got the soul  
All you little kids that love the rock n' roll,  
You sure got the style but you ain't got the soul

Come on get over it  
Come on get into it  
Come on get over it  
Come on get into it  
Come on get over it  
Come on get into it  
It starts right now
