

Sugarbaby

Morningwood

Who sugar what
Sugar who sugarbaby
Hey sugar what
Sugar ooh sugarbaby
Ooh

Who sugar what
Sugar who sugarbaby
Hey sugar what
Sugar ooh sugarbaby
Ooh

So lovelow, so hairdoo
Laugh if it were American Apparel
But she knows
No cash flow
Princess aint gettin no new clothes
Tattoo sleeves
She wont sleep
Dead beat he's makin her crazy
Stays out late
Bills aint paid
Sugarbaby give it up on the downtown
Sugars' gotta get out

Sugar's goin goodnight
Your baby's leavin you
Sugar's gonna realize
So baby goodbye
Sleep tight tonight

Who sugar what
Sugar who sugarbaby
Hey sugar what
Sugar ooh sugarbaby

She's undone
He can't come
Still time for her to go and get some
This season
Of the trust fund
Held back by Louis vuitton now
So uptown
Chanel gone
Bounce slow Relaxin with the top down
What's that sound
Ting ting now
Sugarbaby needs a sugardaddy now now
Sugar's gotta get out

Sugar's goin goodnight
Your baby's leavin you
Sugar's gonna realize
So baby goodbye
Sleep tight tonight

Goodnight

Goodnight
Goodnight
Goodnight

Sugar's goin goodnight
Your baby's leavin you
Sugar's gonna realize
So baby goodbye
Sleep tight tonight

Sugar's goin goodnight
Your baby's leavin you
Sugar's gonna realize
So baby goodbye
Sleep tight tonight

Goodnight
Goodnight
Goodnight
Goodnight
