

## Lady Lady

Moroder Giorgio

Frightened by a dream, you're not the only one  
Running like the wind, thoughts can come undone  
Dancing behind masks, just sort of pantomime  
But images reveal whatever lonely hearts can hide

Lady, lady, lady, lady, don't walk this lonely avenue  
Lady, lady, lady, lady, let me touch that part of you, you want  
me to

Lady, lady, lady, lady, I know it's in your heart to stay  
Lady, lady, lady, lady, when will I ever hear you say, I love y  
ou

Time like silent stares, with no apology  
Move towards the stars, and be my only one  
Reach into the light, and feel love's gravity  
That pulls you to my side, where you should always be

Lady, lady, lady, lady, don't walk this lonely avenue  
Lady, lady, lady, lady, let me touch that part of you, you want  
me to

Lady, lady, lady, lady, I know it's in your heart to stay  
Lady, lady, lady, lady...
