Son Of My Father

Moroder Giorgio

Father said to me we gotta have your life run night Off you got to school where you can learn the rules there right Be just like your dad lad Follow in the same tradition Never go astray and stay an honest lovin' son.

Son of my father Molded I was folded I was preform-packed Son of my father Commanded I was branded in a plastic vac' Surrounded and confounded by statistic facts.

Tried to keep me in but jumped out of my skin in time I saw through the lies and read the alibi signs So I left my home I'm really on my own at last Left the trodden path and separated from the past.

Son of my father Changing rearranging into someone new Son of my father Collecting and selecting independent views Knowing and I'm showing that a change is due.

Son of my father Molded I was folded...
