

Wishing Well

Morphine

I move slow underwater crisp like a waterfall
I know my way around
Everybody knows me I grew up in this town
I got one million two million
I can't remember how many million millions
And I'm exactly where I want to be right now
Ah yea Mm mm
I got a call back from the wishing well
Ah yea all right
I got a call back from the wishing well
I don't even have to shoot
I don't even have to aim
I just smile deal me in
I got one million two million yea
I can't remember how many million millions I'll tell ya
I'm exactly where I want to be right now
All right Ok
I got a call back from the wishing well oh
I move smooth underwater crisp like a waterfall
Smooth underwater I know my way around
See I got one million two million
I can't remember how many million millions
And I'm exactly where I want to be right now
All right (2x)
I got a call back from the wishing well
Oh yea all right
I got a call back from the wishing well
