

## Wishing Well

Morphine

I move slow underwater crisp like a waterfall  
I know my way around  
Everybody knows me I grew up in this town  
I got one million two million  
I can't remember how many million millions  
And I'm exactly where I want to be right now  
Ah yea Mm mm  
I got a call back from the wishing well  
Ah yea all right  
I got a call back from the wishing well  
I don't even have to shoot  
I don't even have to aim  
I just smile deal me in  
I got one million two million yea  
I can't remember how many million millions I'll tell ya  
I'm exactly where I want to be right now  
All right Ok  
I got a call back from the wishing well oh  
I move smooth underwater crisp like a waterfall  
Smooth underwater I know my way around  
See I got one million two million  
I can't remember how many million millions  
And I'm exactly where I want to be right now  
All right (2x)  
I got a call back from the wishing well  
Oh yea all right  
I got a call back from the wishing well
