

## Billy Budd

Morrissey

Say, Billy Budd  
So you think you should ?  
Oh, everyone's laughing  
Say, Billy Budd  
So you think that you should ?  
Everyone's laughing !  
Since I took up with you

Things have been bad  
Yeah, but now it's 12 years on  
Now it's 12 years on  
Yes, and I took up with you

I took my job application  
Into town  
Did you hear ? They turned me down  
Yes, and it's all because of us  
Oh, and what was in our eyes  
Oh, what was in our eyes, yeah

I said, Billy Budd  
I would happily lose  
Both of my legs  
I would lose both of my legs  
Oh, if it meant you could be free  
Oh, if it meant you could be free

(Don't leave us in the dark!)
