

Black-Eyed Susan

Morrissey

Black-eyed Susan
You make us nervous
Because we're very aware that you do not care

Oh, Black-eyed Susan
What don't you believe in?
"No is always easier than Yes"
Whoo !

Black-eyed Susan
You must insist :
You are a born-again atheist, oh

Oh, heavy-rings on
Bitten fingers
Black-eyed Susan sometimes
Shakes to break
So, watch it

Oh...
Black-eyed Susan
Rest and do nothing
'Cause it's the only thing that you do quite well
Aah...

Black-eyed Susan
Rest and do nothing
'Cause it's the only thing that you do quite well
Aah...

Black-eyed Susan
Rest and do nothing
'Cause it's the only thing that you do quite well
Aah...

Black-eyed Susan
Please remember
We were the first
We were the first
Oh...
