```
Black-eyed Susan
You make us nervous
Because we're very aware that you do not care
Oh, Black-eyed Susan
What don't you believe in?
"No is always easier than Yes"
Whoo!
Black-eyed Susan
You must insist:
You are a born-again atheist, oh
Oh, heavy-rings on
Bitten fingers
Black-eyed Susan sometimes
Shakes to break
So, watch it
Oh...
Black-eyed Susan
Rest and do nothing
'Cause it's the only thing that you do quite well
Aah...
Black-eyed Susan
Rest and do nothing
'Cause it's the only thing that you do quite well
Aah...
Black-eyed Susan
Rest and do nothing
'Cause it's the only thing that you do quite well
Aah...
Black-eyed Susan
Please remember
We were the first
We were the first
Oh...
```
