First of the Gang to Die

Morrissey

You have never been in love until you've seen the stars reflect in the reservoirs

And you have never been in love until you've seen the dawn rise behind the Home for the Blind

We are the Pretty Petty Thieves and you're standing on our streets where Hector was the first of the gang with a gun in his hand and the first to do time the first of the gang to die, oh my

Hector was the first of the gang with a gun in his hand and the first to do time the first of the gang to die, oh my

You have never been in love until you've seen the sunlight thrown over smashed human bone

We are the Pretty Petty Thieves and you're standing on our streets where Hector was the first of the gang with a gun in his hand and the first to do time the first of the gang to die Such a silly boy

Hector was the first of the gang with a gun in his hand and a bullet in his gullet and the first lost lad to go under the sod

And he stole from the rich and the poor and the not very rich and the very poor and he stole all hearts away
He stole all hearts away
He stole all hearts away
Away...
He stole all hearts away
Away...
