Glamorous Glue

Morrissey

First day with the jar, you find everyone lies First day with the jar, you find everyone lies Nobody minds, everyone lies

Where is the man you respect ? And where is the woman you love ? Where's the woman you love ?

Third week with the jar, you find everything dies We won't vote conservative because we never have Everyone lies, everyone lies

Where is the man you respect ? And where is the woman you love ? Where's the woman you love ?

Everything of worth on earth Is there to share

I used to dream and I used to vow I wouldn't dream of it now We look to Los Angeles for the language we use

London is dead, London is dead, London is dead London is dead, London is dead, London is dead Now I'm too much in love, I'm too much in love

I know, I'll go empty hand From the land
