

I Don't Mind If You Forget Me

Morrissey

I don't mind
I don't mind if you forget me
Having learned my lesson
I never left an impression on anyone

So now you send me
Your hardened regards
When once you'd send me love
Sincerely I must tell you
Your mild best wishes
They make me suspicious

I don't mind
I don't mind if you forget me
Having learned my lesson
I never left an impression on anyone

The pressure to change
To move on
Was strange
And very strong
So this is why I tell you
"I really do understand
Bye bye"

I don't mind
If you forget me
No no no no
No no no

You can only be
Strong for so long
It may not eat you
But it will beat you
So this is why I tell you
"I really don't understand
This time"

Rejection is one thing
But rejection from a fool is cruel
Rejection is one thing
But rejection from a fool is cruel

And I don't mind
If you forget me
I don't mind
If you forget me
