

I Just Want to See the Boy Happy

Morrissey

Lord, these words I beg of you
As I kneel down at my bed
Because soon I will be dead
Let's face it soon I will be dead
And I just want to
I want to see the boy happy
With some hope in his pale eyes
Is that too much to ask?
Before I die
I have one final dream
For my own life I don't care anything

Lord these words I beg of you
As I kneel down at my bed
Let's face it soon I will be dead
And I just want to
I want to see the boy happy
With his arms around his first love
Is that too much to ask?
Before I die
I have one final dream
For my own life I don't care anything
And I just want to
I want to see this boy happy
Why is this such a bad thing?
