

# I Know It's Gonna Happen Someday

Morrissey

My love,  
Wherever you are,  
Whatever you are,  
Don't lose faith.  
I know it's gonna happen someday  
To you.  
Please wait . . .  
Please wait . . .  
Ah, ha, ha,  
Wait . . .  
Don't lose faith.

You say that the day  
Just never arrives  
And it's never seemed so far away.  
Still I know it's gonna happen someday  
To you.  
Please wait . . .  
Don't lose faith
