Morrissey

On the day that your mentality
Decides to try and catch up with your biology
Please come round because I want the one I can't have
And it's driving me mad, it's all over, all over, all over my f
ace

On the day that your mentality
Catches up with your biology
I want the one I can't have
And it's driving me mad, it's all over, all over, all over my face

A double bed and a stalwart lover for sure These are the riches of the poor A double bed and a stalwart lover for sure These are the riches of the poor

And I want the one I can't have
And it's driving me mad, it's all over, all over my face

These are the riches of the poor

These are the riches of the poor

I want the one I can't have

And Jesus it's driving me mad, it's written all over my face

On the day that your mentality Catches up with your biology And if you ever need self validation Just meet me in the alley by the railway station It's all over my face, oh yes, oh
