

# If You Don't Like Me, Don't Look at Me

Morrissey

Run, run young man through the glen  
Run, young woman through the glen  
See if I care, see if I care, see if I care  
See if I care, See if I care, See if I care

If you don't like me, then don't look at me  
There must be somebody else who can take your gaze a ways

If you don't like me, then don't look at me  
There must be somebody else who can take your gaze a ways

Run, run young man through the glen  
Run, young woman through the glen  
And see if I care, see if I care, see If I care  
See if I care, see if I care, see if I care

If you don't like me, then don't look at me  
There must be somebody else who can take your gaze a ways  
If you don't like me, then don't look at me  
There must be somebody else who can take your gaze a ways

If you don't want me  
You don't have to have me  
I just thought you might feel the same, that's all

If you don't want me  
You don't have to have me  
I just thought you might feel the same, that's all  
That's all, that's all, that's all...
