

It's Hard to Walk Tall When You're Small

Morrissey

I can kill standing still
It's easy
I can scare with a stare
It's easy

Hey Ringo
It's sad though
Because it's hard to walk tall
When you're small
Whether dressed in
Disciplined style
Never mind
When you're small
You walk as if you're falling

I attack from the back
Because it's easy
And I can assail
While wearing very nice jewelry

Oh hey Ringo
It's sad though
Because it's hard to walk tall
When you're small
Whether dressed in
Disciplined style
Never mind
When you're small
You spend your life crawling

I burst into
Public baths
And I throw my weight around
And no one can even see me
No one can even see me
Nobody can see me
No one can see me

Success is just a mess
Hey Ringo
It's sad though
Because it's hard to walk tall
When you're small
Whether dressed in
Disciplined style
Never mind
When you're small
You're bound to look ???
