Lost

Jet trails in the sky Leave one word behind A hand bangs into sand a name And we all understand

Everybody's lost But they're pretending they're not Lost, oh, lost

Jet trails in the sky Leave one thought behind A hand bangs into sand a name And we all understand

Everybody's lost But they're pretending they're not Lost, oh, lost

So if I see you And I tell you How I've watched you I'm just lost

So if I see you And I tell you I've watched you Don't make fun of me later 'Cause I'm just lost

If I see you And I tell you How I've watched you Don't make fun of me later 'Cause I'm just lost

If I see you And I tell you How I've watched you Don't make fun of me later 'Cause I'm just lost

Lost, lost, lost Lost, lost
