

## Seasick, Yet Still Docked

Morrissey

I am a poor freezingly cold soul  
So far from where I intended to go  
Scavenging through life's very constant lows  
So far from where I'm determined to go

Wish I knew the way to reach the one I love  
There is no way  
Wish I had the charm to attract the one I love  
But you see, I've got no charm

Tonight I've consumed much more than I can hold  
Oh, this is very clear to you  
And you can tell I have never really loved  
You can tell, by the way, I sleep all day

And all of my life no one gave me anything  
No one has ever given me anything  
My love is as sharp as a needle in your eye  
You must be such a fool to pass me by
