

To Me You Are a Work of Art

Morrissey

I live a life
I feel the pain
To sing this song
To tell the tale
I wish I never even heard the song
I see the world
It makes me puke
But then I look at you and know
That somewhere there's a someone who can soothe me

To me you are a work of art
And I would give you my heart
That's if I had one

I see the world
It makes me puke
But then I look at you and know
That somewhere there's a someone who can soothe me

To me you are a work of art
And I would give you my heart
That's if I had one, had one

To me you are a work of art
And I would give you my heart
That's if I had one
