

# Tony The Pony

Morrissey

Still drinking on the corner  
Just don't say I didn't warn you  
Always nagging big brother  
He's only looking out for you

Tony The Pony  
Tony The Pony

You're still standing on the corner  
Just don't say I didn't warn you  
Old and jealous big brother  
You had your time and you spent it crying

Now Tony The Pony  
Tony The Pony

So, that's what they call you now  
When you're free outside  
So cold and hard and in control and  
There's a free ride on Tony The Pony

Oh, why do you always wanna stop me  
From doing the things in life that make me happy?  
And when I'm outside with friends, laughing loudly  
Why do you always wanna stop me?

Oh, I would never  
I would never

But you will carry the can for anyone  
There's a free ride on gullible Tony  
You're drunker quicker  
And you're sicker even quicker  
For something heavy is gonna fall on you, oh

And what do they call you now?  
When you're free outside  
So cold and hard and in control  
And, oh, been a lark  
There's a free ride on fucked up Tony

I will never say I told you so  
Or how I knew that something bad  
Would happen to you  
I don't wanna say I told you so  
Oh but, Tony, I told you so, I told you so
