

## Forever Will Be Gone

### Mortal Love

Heavenly memories, born from my desire  
Dark is the path deprived  
of all but blood-torn hearts

Hellish remembrance is the truth  
that shuts my eyes  
Blackened, my life, but still I live to breathe the lies

All the beauty I have lost forever will be gone

By your headstone on my knees,  
I fail as you've died once again  
Torn asunder, falling under  
- God, I hate myself  
Burning up, I'll always bleed,  
this time there's only hell  
for me

By your headstone on my knees,  
I fail as you've died once again  
Torn asunder, falling under  
- God, I hate myself  
Burn in hell, but live to tell  
- there's no remorse for me  
For me.
