

## Serenity

## Mortal Love

I had to get my mind off you  
I had to stop pretending 'cause we're through  
I'll go somewhere you can't reach me  
Somewhere you cannot hurt me

You'll never break my heart again  
I won't let you  
You'll never break my heart again

I had to see through your lying  
The way you treated me is why I'm dying  
I'll never think of you again  
For you and me this is truly the end

You'll never break my heart again  
I won't let you  
You'll never break my heart again

You'll never break my heart again  
I won't let you  
You'll never break my heart again

You'll never break my heart again  
I won't let you  
(You'll never break my heart...)
