

## Claws Of Death

Mortician

Black cat of death  
Coming for you  
Hears your heartbeat  
No help for you

Leaps upon you  
Claws extended  
Sharp teeth slicing  
Into your flesh

Gouging out your eyeballs  
Clawing, tearing your face  
Ripping up your insides  
You're left a f\*\*king mess

Leaving you dead  
Bloody and torn  
Off through the night  
Seeking more blood
