

## Access Denied

## Mortification

Fold your hands, fold your hands,  
Drop the past  
Access denied, success defiled  
Fold your hands, fold your hands,  
Drop the past, time for change,  
Different stage, a new level.  
Night falls on your heart  
Fold your hands, fold your hands  
Raise your eyes, time has come,  
Now it's done, raise your eyes  
Access, new ground,  
Confess, you're found  
Light force on your heart
