Mortification

Fold your hands, fold your hands,
Drop the past
Access denied, success defiled
Fold your hands, fold your hands,
Drop the past, time for change,
Different stage, a new level.
Night falls on your heart
Fold your hands, fold your hands
Raise your eyes, time has come,
Now it's done, raise your eyes
Access, new ground,
Confess, you're found
Light force on your heart
