

D.W.A.M.

Mortification

D.W.A.M. Daniel was a mosher
A plan to kill off Daniel
By the administrators
Get the king to issue a royal decree

Stage dived into the lions den
Administrators want him dead
But the lions surfed him all around
D.W.A.M. Daniel was a mosher

For thirty nights must worship just the king
But Daniel prayed three times a day
To our God on high.

The enemies observed him pray
They went & told the king his ways
The king was sad he'd signed the plot
Daniel was a trusted man.

There was no way out for the king
Bound by law to stick to his
Laws he made cannot be changed
Into the pit offenders thrown.

Daniel was throw into the lions den
But God closed their hungry mouths
And he was not dead.
