

## Impulsation

## Mortification

Impulsation, smash and grab world  
Impulsation, live fast, die young  
You'll not find, real satisfaction  
You'll find emptiness, fake gratification

Impulsation, patience never learned  
Impulsation, satisfaction now

Can't you see, this won't last  
lasting peace comes from Christ.

You'll find self-control  
if you find salvation  
Blood and the fire  
purge your mind  
Ultimate satisfaction  
Beal peace  
Lasting joy  
comes through Jesus  
White wash  
your mind  
Find your release.

Bludgeon to death, lust in your life  
Consecrate to live right  
Manifest the grace of God  
Supplicate prayer and live

Love

Impulsation, it's not cool  
Impulsation, you could dille.  
Can't you see people dying  
Everyday aids and drug addictions.
