

Peace In The Galaxy

Mortification

[1 Timothy 4:1-3, 2 Tim. 3:1-5, 2 Cor. 11:13-14]

Fascination with the stars

Consequences of the crystal factor

Answers to life are far

Looking for hope in all the wrong places

Destined to die, lost in lies, fated

Hating your life, answers none taken

Transcendental meditation

Separation to the new age

Satan has bound your mind

The angel of light transfixion

Destined to die, lost in lies, fated

Hating your life, answers none taken

And there'll be peace in the galaxy

when people trust the truth in Christianity, Sanctity

Situation of change

You must arise and forsake

Satanic lies of today

Arise and embrace the glory

Destined for life, found in Christ, salvation

Loving your life, answers all taken

And there'll be peace in the galaxy

when people trust the truth in Christianity, Sanctity

And there'll be peace in the galaxy

when people trust the truth in Christianity, Sanctity
