

Providence

Mortification

Providence, forgiveness for us all
Deliverance. Amazing power

Rising to see the light, providence in the night
Menacing inner thought, turbulence of the mind

Providence, forgiveness for us all
Deliverance. Amazing power

Insistence on the right, exposure of the hate
Zealous life spirit, the order of Christ

This is the power of God, sensation!!
This is the way of the cross, salvation!!

Rising to the task, or falling for the dark
Lifting up the cross, or falling for the hate

Majesty, the power rises, glory, the Lord reigns
Forever, surrender, never decline
Lasting Savior, falling hate

Providence, forgiveness for us all
Deliverance, amazing power
Majesty rises, glory, reigns forever

Providence, forgiveness for us all
Deliverance. Amazing power

This is the power of God, sensation!!
This is the way of the cross, salvation!!

Rising to the task, or falling for the dark
Lifting up the cross, or falling for the hate

Majesty, the power rises, glory, the Lord reigns
Jesus He rose, glory, reigns forever
