## **Another World**

We fantastic, flippin on tracks like gymnastics Small brats get they ass kicked, me and Mos smash it Top gun like what comes after the, fist rockin' knife Check the keys that get played on the roads of life Yo the rhyme is so heavy like a load of my chest Travel on these mc's, leave 'em broken like house pets Priceless like the streets I'm on, my word is born You like Paula Abdul-ka-ka compared to Sarah Born? Sayin, what did I do to be so black and blue Mc's sayin damn what got it goin after you Slam my microphone and do just what I have to do Aiyyo, I'd like to stop and chat but I'm just passing through You know I'd like to stop and chat but I'm just passing through [Mos Def] I'm on my way back to Louis Avenue Inside Brooklyn the b-boy capital, lot of cats travel to black eratical Say, my response is invatically yes We invatically fresh, you dramatically stressed These mc's proceed to cease the presidential palace And burn Babylon like a ? Strive to maintain balance With the God given talent Articulate the article, eliminate the fossical Black Star Line shine remarkable, they style ain't even talkable These socalled criminals is fictional they make the party turn miserable We document the memorable Then break 'em up like syllables Straight down to earth like minerals Your style is foul like down? chemicals We five-dimensional, audio, visual, physical, spiritual, lyrical Another world Another world, y'all We transmit another world Another World, y'all We transmit another world Another World, y'all We transmit another world Black Star 'bout to shine from what [Talib Kweli] Yo Mos, ain't it a shame how these people treating life like a game Ain't gonna give you no fame by callin out your name Just explain how I do it and, lead by example Stay away from repetition don't wanna sound like no sample You can't handle this Messiah My shit is classical we get bug' like Umfufu,
