Body Rock

Aight, uhh, alright y'all slow down I'm trying Aight, yo I I only took a little bit of Spanish you gotta I, I hear what you're saying but yo, aight okay Alright okay, alright okay okay, alright okay, I'm feeling you, okay Alright okay, alright okay okay, alright okay, I'm feeling you vо All my people in Brooklyn and you know we're hot, I say We don't stop, the body rock All my people in Queens and the land in between say we Don't stop, the body rock Shaolin and LI say you know we're fly, say we Don't stop, the body rock From the east to the west son we take it to the chest say we Don't stop, the body rock I'm in the lab with ab, I got the band they're fat My man T A S H take it to your breastplate It's the mighty Mos Def, complete the trilogy Just shot myself a dime, see are you feeling me? Son I'm wicked and nice when I'm on facility Let me take a sec to review what I wrote Mos Def and I sound par fresh, okay it's dope Let's record this they gonna want this And all area crew is gonna flaunt this And when we step to the plate Pah it's flawless My man T A S H with styles glory great Great, great great, great great Up next we got CaTash with that west coast rhyming Bombing niggaz with the style as dangerous as mountain climbing 'Cause the Alkie words I'm spitting be twisting while you liste ning Plus I'm in this motherfucker with the Likwit coalition That'll leave you in position, twisted backwards like dough go While you staring down my throat like,
