

No Hay Nada Mas

Mos Def

Bueno, Flac,
Llamame Flac pero mi primer nombre es Jacin Andante
El apellido el pay

Oiga
Eso soy testigo
La hermosa, el peligro distinto claro que si la verdad
La calle, el pueblo
Las fincas y centros

Ciudad calidad no mejor, mala mas
Guerra y vida, amor y cambio
Comida la guarda

Pistola, oracion para ellos,
Damas y caballeros
Familia, crianza
La luz en la distancia

Quiero y lo dijo
Bien es mas cercana
Mi vista, mi casa, mis suenos, mi alma

Quiero saber lo senti tu abrazo
Y tu contacto
Pues a mi algo
Claro
Amen

Claro, claro, claro que si
No hay nada mas

No hay nada mas
Final
No hay nada mas
Claro, claro, claro que si
No hay nada mas
Y no hay nada mas
Final
No hay nada mas
Claro, claro, claro que si.

English Translation
There Is Nothing Else

Good one, thin
Call me thin, but my first name is Jaci Andante (the one who walks)
The last name the one who pays

Listen
That I am witness

The beauty, the danger is different, of course it is the truth
The street, the town
The cottages and centers

City quality no better, worse

War and life, love and change
Food that is being kept
Pistol, this prayer is for them
Women and men

Family, upbringing
The light in the distance

I want and say
Good is closer
My sight, my house, my dreams, my soul
I want to know and feel your embrace
And your contact
Show me something

Amen

Of course, of course, of course, yes
There is nothing else
There is nothing else
The end
There is nothing else
Of course, of course, of course, yes
There is nothing else

And there is nothing else
The end
There is nothing else
Of course, of course, of course, yes
