

Please

Mostly Autumn

Please let me look at you
Just for a while
There's a sense of you in someone else's face,
Just an expression across a crowded room,
Brings a tear to my eye.
And the loneliness that creeps inside my heart,
Is crushed for a while.
A moment of sunshine...

A thousand rooms, a thousand faces,
Just never felt like this before.
Take me, believe me this is strong
And it's wrong I know.

Please let me look at you
Please...

Take me with you,
Don't leave me alone.
Take me with you,
Don't leave me alone.

Please let me look at you
Please...
Please let me look at you
Please...
