

Gentle Groove

Mother Love Bone

Like my world, I'm on fire
I am full of desire, yeah
No more preaching on your part
No more love on my pillow, yeah

Come dance with me in my room
You can hold me hands, yeah yeah
I'm gonna be your boyfriend
And you can call me names, ooh oh yeah

And nothing's gonna change the way I feel for my love
And nobody's gonna slow my gentle groove
Till kingdom come thy work is done on earth as it is in Dallas

Come play with me in my room
You can hold me hands, yeah yeah
I'm gonna be your boyfriend boyfriend
You can call me names - a names, yeah

And nothing's gonna take the power away from my love
And no one's gonna change the way I feel, the way yeah yeah...
And nobody's gonna slow my gentle groove
Till kingdom come thy work is done on earth as it is in Dallas
Come on, oh ooh
oh yeah yeah yeah yeah yeah...
