

Arms Tonite

Mother Mother

I fell in your arms tonite
I fell hard in your arms tonite
It was nice
I died in your arms tonite
I slipped through into the after life
It was nice
White light in your arms tonite
I lost sight in your arms tonite
It was nice

And hey, you
Don't you think it's kind of cute
That I died right inside your arms tonite
That I'm fine even after I have died
Because it was in your arms I died

I cry in the after life
I cry hard because I have died and you're alive
I try to escape after life
I try hard to get back inside your arms alive

And hey, you
Don't you think it's kind of cute
That I tried to escape the after life
That I tried to get back in your arms alive
That I died in your arms that night

I fell hard in your arms
I went and died in your arms that night

I fell in your arms tonight
Suicide in your arms

And hey you don't you think it's kind of cute
That I died right inside your arms tonite
That I'm fine even after I have died
That I tried to get back in your arms alive
That I died in your arms that night

I fell in your arms tonite
I died in your arms tonite
White light in your arms tonite
I fell in your arms tonite
