Born In A Flash

Mother Mother

Photograph, lookin' down at me I'm lookin' at the past Something about my family in high contrast Something about my infancy in white and black Something about my memories In a photograph, a portrait of the past Born in a flash Polaroid, 1954 It was a Polaroid '55 through '56 Were undestroyed, daddy was an anarchist We can't afford Somebody catching wind of this here Polaroid, a portrait of before Born in a flash Born in a flash A little piece of the past Born in a flash Ohh Ohhhh, Aahhhh, Ohhh Photograph, a portrait of the past Born in a flash Born in a flash Born in a flash Born in a flash
