

Cesspool of Love

Mother Mother

Have you ever done so much drugs
That you thought that your face would melt off into
A cesspool of love,
Cesspool of love,
A cesspool of love

Have you ever ever stayed at a techno rave
here the DJ's great but you're scared away by
A cesspool of love
A cesspool of love
Cesspool of love
A cesspool of love

Ooh ooh
Yeah yeah yeah ah ooh ooh
Yeah yeah yeah ah ohh ooh
Yeah yeah yeah ah ooh ooh
Yeah yeah ye yeah yeah yeah

You were swimming and you were grinning
You were sinning you were shitting in a
Cesspool of love
A cesspool of lovers and haters and
Guilty masterbaters in a cesspool of love
Living and dying, laughing and crying

In a cesspool of love
A Cesspool of love
A Cesspool of love
