

## O My Heart

**Mother Mother**

Oh my heart, it's a fish out of water  
Oh my heart, it's a fish on the rocks  
and it bakes in the bad sun

Oh my heart, it's a rock in the gutter  
Oh my heart, it's a rock and great boulder and stuck in the gutter

And I throw my heart back to the ocean  
But it don't go far, it come back floating  
And I watch it wash it up with the dead fish

But it ain't quite dead, it just is like this

Oh my heart, it's a house in tornado,  
Oh my heart, it's a house in the sky in the eye of tornado  
Oh my heart, it's a roof in El nino  
Oh my heart, it's a roof made of straw in the jaw of El nino

And I pour my heart a new foundation  
But it don't set hard, it just stays shaking  
And I scratch my name, I scratch my name in  
But it don't set hard, it gets mixed back in

Bam bam bam, bam bam bam, bam bam bam, bam...

Oh my heart, it's a fish out of water  
Oh my heart, it's a rock in the gutter

Oh my heart, it's the black in a rainbow  
Oh my heart, it's so damn so cold, so damn cold

And I throw my heart into the fire  
'Cos I want to set my heart on fire  
And I watch it try befriending embers  
But the ice don't melt in mid-December

Oh my heart, it's a fish out of water  
Oh my heart, it's a fish on the rocks  
and it bakes in the bad sun
