

# Broken Arrow

## Motion City Soundtrack

Wheew-oooh  
Wheew-oooh  
Wheew-oooh  
Wheew-oooh

How many times do you lose what you find?  
Does your shadow keep bringing you down?  
Running to grasp little memories of the past  
There's a part of me that still believes that nothing's gone for good

Wheew-oooh

Everywhere you go I follow  
Wheew-oooh  
You treat me like a broken arrow  
Wheew-oooh  
I don't need this anymore  
But I follow, I follow

Torn from the page like a knife cuts the rain  
Every instinct screams:
