

# Cat Scratch Fever

**Motörhead**

Well I don't know where they come from, but they sure do come  
I hope they're coming for me

And I don't know how they do it, but they do it real good  
I hope they do it for free

They give me cat scratch fever  
cat scratch fever

First time that I got it I was thirteen years old!  
Pussy cat livin' next door  
And I went to see the doctor and he put me on hold  
He said there wasn't no cure

He said it's cat scratch fever  
cat scratch fever  
He said it's cat scratch fever  
cat scratch fever

I'm not in danger, I'm not in pain, I'm moving like a train  
You know you got it 'cause it makes you insane  
It makes you want to do it, do it, wasting my brain

Well I make that kitten happy with the tongue and the hand  
She wave her tail at me  
She knows just where to come to find a sensitive man  
I give it to her for free
