Crazy Like a Fox

Motörhead

Babe you're dressed to kill tonight
I get ahead of myself
If you knew what you do to me
You'll be with someone else
Jump back, be cool, you make me feel
Like I'm back at school
Make me crazy, crazy for you
Oh you make me hot
Come on, show me what you got
You're moving slow, baby don't say no
You move like a rattlesnake
And I can't stand no more, oh babe

You're gonna wreck my mind And I hope you do it all the time You better give it your best shot You know I'm crazy, crazy like a fox Don't you turn your back on me You just make it worse You look just as beautiful When you're movin' in reverse Come on, be nice, oh babe You're gonna wreck my life Make me crazy, make me jump all night Oh you make me die When I look into your eyes I'm moving in, I'm coming through You must be an earthquake 'Cause I'm shaking in my shoes

You're gonna wreck my mind And I hope you do it all the time I love you're body 'cause it rocks You make me crazy, crazy like a fox Come on honey, take my hand 'Cause we're out of here I'm gonna take you home with me I'm gonna whisper in your ear Come on, make it quick Oh, mama, hit me with your rhythm stick It's magic time But I don't play no tricks Oh baby come on You know I want to get it on You must be a quitar player The way you're stringing me along

Oh babe, you're gonna wreck my mind And I hope you do it all the time I'm gonna knock you out of your socks You make me crazy, crazy like a fox You've been doin' it all the time You know I love you, love you lots Crazy like a fox You're gonna wreck my mind I hope you do it all the time Tištěno z www.txp.cz
